

Greetings to everyone!

Heartiest Congratulations for students and teachers of KJSCE to participate in eYantra Hackathon and grab Top 5 Positions !!!

Students from ETRX , EXTC and COMP departments formed teams and made 5 different projects under guidance of Faculty Mentors Prof. Madhura Pednekar, Dr. Ayesha Hakim after announcement of eYantra Hackathon by IIT B

Overall coordination was done by Prof. Arati Phadke.

Theme of Hackathon was **Automation of eLSI lab**

The Topics selected for projects were as

1. Smart Switchboard
2. **An Automated Paradigm in People Tracking ( selected as Top 5 Best project)**
3. Smart IOT based Attendance Monitoring System
4. Digital Board Monitor using ESP 32
5. Gesture Based Presentation Control and Virtual Blackboard ( **Selected as Top 10**)

K J Somaiya College of Engineering has been **ranked in top 5** colleges in this hackathon. considering the substantial participation from college
