

## Invitation to Sponsors

# International Conference on Technologies for Energy, Agriculture, and Healthcare (ICTEAH 2024)

**15<sup>th</sup>-16<sup>th</sup> April, 2024**

Somaiya Vidyavihar University Campus Vidyavihar,  
Mumbai-400077, Maharashtra, India

Organised by

**K J Somaiya College of Engineering**

(A Constituent College of Somaiya Vidyavihar University)

## About Somaiya Vidyavihar University

Established in 2019, Somaiya Vidyavihar University (SVU), Mumbai, is a self-financed private university recognised by the University Grants Commission (UGC). Somaiya Vidyavihar has over six decades of rich experience in building and managing educational institutes of great repute. The university has been operational since 26<sup>th</sup> August, 2019, and a place where learners can explore new possibilities and pursue their passions.

There are ten constituent colleges under the umbrella of SVU. Being located in the heart of Mumbai spread across a vast 50-acre sprawling green campus, and having state-of-the-art learning infrastructure, it caters to 39,000+ students in diverse fields of education, including design, engineering, library science, management, religion, culture, sports, music, humanities, and sciences.

SVU offers students the flexibility to simultaneously earn degrees and certifications in multiple disciplines offered by our constituent colleges. The university also accommodates an advanced incubation centre, which serves as a launch pad for entrepreneurs / start-ups. The placement cell facilitates ample employment opportunities for graduates, and the on-campus hostels ensure a comfortable and safe stay for the students and academicians. The university aims to provide quality holistic education to make great citizens of India, those who know how to live better and make this world better for living.

## About K J Somaiya College of Engineering

K J Somaiya College of Engineering is a leading engineering college of Somaiya Vidyavihar University in Mumbai. Since its establishment in 1983, it has been deeply committed to excellence in education and affordability for all students. It strives to provide an environment to master the fundamentals, create and apply knowledge, and also encourage students to discover new solutions using a multidisciplinary approach, and thus preparing them to be dynamic and multifaceted engineers who are more equipped with the required life skills to face various challenges and serve society.

## About the Conference

Energy, Agriculture, and Healthcare are key areas that address the development of the nation. Technology plays a vital role in the development of Energy, Agriculture, and Healthcare sector. In the long run, the development of sustainable energy technologies will fulfil energy requirements. Technologies in agriculture will enable farmers to increase yield. Technology in healthcare will improve medical facilities. In today's world, technology related to automation, computing, data analysis, sensors, AI/ML, and IoT drives growth in the Energy, Agriculture, and Healthcare sectors.

ICTEAH 2024 aims to address the sustainable development goal (SDG) of United Nations, which provides a platform for showcasing innovations in engineering and technology applied to Energy, Agriculture, and Healthcare. This conference seeks to bring together researchers, scientists, engineers, and research scholars from all over the globe on a common platform for the dissemination of original research findings and creative ideas. Discussions between researchers and domain experts will promote innovations and implementation for improving the overall performance of organisations.

## Why you should sponsor the event

### Visibility

Gain exposure to a global audience.

### Networking

Connect with industry leaders and professionals.

### Brand Recognition

Showcase your commitment to Energy, Agriculture, and Healthcare.

### Opportunity

Engage with decision-makers and influencers.

## Your Investment Supports

### Speaker honorariums

Recognise the expertise of the speakers by providing honorariums for their valuable contributions.

### Marketing and promotion

Get involved in spreading the word and creating anticipation for the upcoming event through marketing and promotional activities.

### Venue and equipment costs

Ensure a seamless experience by contributing to venue costs and top-of-the-line equipment.

### Networking events

Support the organisation of networking events to facilitate fruitful interactions among participants.

## Become a Sponsor

### Explore Opportunities

Discover the various sponsorship options available and choose one that aligns with your organisation's goals.

### Contact Us

Reach out to our team for detailed information on sponsorship packages and The benefits of partnership.

### Customised Partnerships

Contact us to discuss customised partnership options tailored to your specific needs and objectives
